

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending: Friday 30th March 2018

Welcome to our weekly newsletter

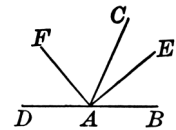

During the week beginning 16th April we will be learning about:

Maths: Finding missing angles, using knowledge of geometry.

Writing: We will be examining characterisation in a short story.

Reading: The girls will be taking their Star Reading test to determine their new reading levels.

Topic: We will be looking at the life cycles of flowering plants in Science, 'Healthy Me' in PSHE, and we will be continuing to build and modify our gliders in DT.

Hard at work at the Maths Challenge! Well done to Maha, Catherine, Tharmavi and Annette, who represented Y5

Holiday Homework

Due Back on Monday 16th April

A comprehension on the life of Professor Stephen Hawking, a Maths check up and a SPaG assessment
