

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending: Friday 2nd March 2018

Welcome to our weekly newsletter; please read carefully so that you know about the changes that are taking place this week after our snow days..

During the week beginning 5th March we will be learning about:

Maths: Percentages, linked to fractions and decimals. As it is **assessment week**, the girls will be taking three Maths papers and will benefit from practising their arithmetic skills as well as multi-step word problems.

Writing: Please help your daughter to revise **word classes** for her SPaG assessment. Our focus this week will be on use of apostrophes.

Reading: We will continue to look at **figurative language**, as well as how characters are created in fiction text.

Topic: This week you will be receiving a letter about our trip to the Science Museum on March 15th. Please let us know if you are interested in joining us on the trip.

World Book Day will now be taking place on Thursday, 8th March. The girls can wear their pyjamas—please see your letter for details.

Award Winners this week:

- 5.1 Amtul; Maryam
- 5.2 Maha; Tyra
- 5.3 Tia; Aniqah

Dates for your diary:

If your daughter's parents' evening was scheduled for last Wednesday, please come in at the same time this Wednesday, March 7th. We look forward to seeing you with your daughter.

Attendance:

5.1	94.4%	☹️
5.2	96.80%	☹️
5.3	94.07%	☹️

Our target is 97% or over
