Welcome to Year 4's Weekly Newsletter! Here you will find information about what we will be covering in our learning. Additionally you can see how much fun we have been having in school!

Thank you to everyone who supported our Big Pedal—the girls have enjoyed bringing their bikes and scooters to school and it was great to see so many parents and siblings doing the same!

Year 4 enjoyed their second part of 'The Tooth Decay investigation.'

During the week, the children observed how different drinks affected the eggs and what this meant for them in real life. Ask them to talk to you about this experiment and what they have learnt.
