

# Winterbourne Junior Girls' Year 6 Newsletter

**Week ending: Friday 14th September 2018**

Welcome to our weekly newsletter, where you will be able to find out about our learning in Year 6, share our achievements and get information about forthcoming events. We hope you enjoy reading it.

## Baseline Testing

**This week year 6 under took baseline testing using the 2018 SATs papers in Reading, Maths and Grammar, Punctuation and Spelling. This enables teachers to get a good picture of the needs of the children in their sets and enables pupils to understand what is expected of them in May next year.**

## Foundation Subjects:

In year 6 the Foundation subjects will be taught in weekly blocks on a 3 week rotation. This will start this week with 6.1 starting with PSHE, 6.2 with Design and technology and 6.3 with Science.

The Design technology project is focused upon design a logo. This will include the purpose and reason for logos in the real world and investigating the design process that professionals take to develop them. Pupils will complete the topic by designing their own logo for a space travel company.

## **Star students of the week:**

- (6.1) Nida, Yasmine   
- (6.2) Farwah & Amtul
- (6.3) Alishba & Hilary

## Roald Dahl Day

This was enormous fun! Thank you to everyone who dressed up and donated money to the charity.

## **School Matters!**

**Attend Today, Achieve Tomorrow**

### Year 6 Attendance this week

As a school, we are aiming to achieve an attendance target of over 97%. We are currently at 95.83%

6.1: 97.6%

6.2: 99.2%

6.3: 94%

**Well done to 6.2**
