**Happy New Year Everyone!**

A big thankyou to all the parents and pupils for the lovely cards and great presents we received at Christmas. We are very grateful for the gratitude you have shown.

This year, we are embarking on a philosophy of **Grit** throughout the school. **What is Grit?** Grit is the ability to keep working towards a goal, overcoming challenges and sticking with it even when it's hard. A true definition of **grit** would say that **grit** is a personality trait that helps you keep working towards long-term goals despite setbacks or failures.

Distinct but commonly associated concepts include "perseverance", "hardiness", "resilience", "ambition", "need for achievement" and "conscientiousness".

Talent x **Effort** = Skill

Skill x **Effort** = Achievement
