

Winterbourne Junior Girls' Year 4 Newsletter

Week Ending: Friday 1st February 2019

Competition or Recycling– Closing date 15.2.19

Design a poster to encourage others.

Your poster should inspire or remind people to reduce single-use plastics.

You could choose to focus on just one issue. Will it be straws or plastic bags, or something else?

Results of the Egg experiment.

Most girls made a hypothesis that the cola would affect the eggs the most. We had a shock when we examined the eggs this week. The orange juice had left the egg rough and had bumps on it. The cola had made it brown. Milk and water had little effect on the egg. Children talked about how even though orange juice is good for our bodies perhaps for our teeth we need to add some water to it.

Trip to the Synagogue

On the Tuesday 12th February 2019 year 4 will be going on a trip to the synagogue in Streatham. We will go for the afternoon and will return before the end of the school day.
