## Year 5 Newsletter Week ending: Friday 1st February 2019

### Poster Competition

Year 5 are welcome to enter a poster competition to encourage, remind and inspire others to reduce single-use plastics. You could choose to focus on just one issue. Will it be straws or plastic bags, or something else?

We are aiming for attractive posters full of colour, bold and clear lettering with a short, simple and to the point message on the importance to have an active attitude to protect our world.

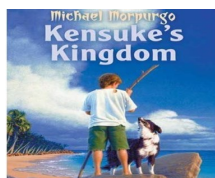

Entries should be in by **15th of February**
