

Winterbourne Junior Girls' School

Year 6 Newsletter

Week ending: Friday 28th June 2019

Upcoming events:

Next week we are going out on two exciting trips: On Tuesday 2nd July we are attending Croydon's Junior Citizenship Scheme organised by the engagement team. Pupils will be travelling to and from New Addington by public transport. This event will take place during school hours and we will be back for the end of the school day. On this trip they will learn about travelling safely around London and using transport systems correctly among other useful things.

The following day on Wednesday 3rd July, we are visiting Chessington World of Adventures where we are going to study the animals in the zoo to support our science knowledge of adaptation. We may also get to go on some of the rides! We are travelling by public transport and will be returning to school by 6pm. If there are any delays we will post these on our twitter page: @WjgsS

For both trips the girls will need to be in full school uniform, bring packed lunch and suitable outer wear for the weather conditions—coat, sun cream, hat etc.

Year 6 Attendance this week

As a school, we are aiming to achieve an attendance target of over 97%.

6.1: 96.76%

6.2: 99.21%

6.3: 95.73%

Well done to 6.2

Students of the Week:

(6.1) Eleni, Sabiha

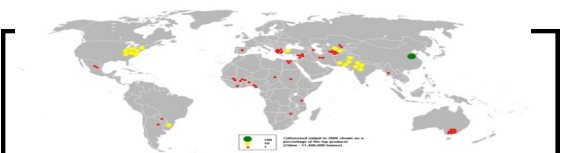

(6.2) Amtul A & Michalina

(6.3) Ta'niyah, Tia

The following girls achieved 90% or more in Accelerated Reader quizzes: Zia, Eleni B, Zahra, Princess, Amna A, Amtul, Husna, Michalina, Zainab, Nataliah, Thomasina, Jeeva, Gema, Kriya, Ta'niya, Sneha, Grace, Clervie.

Sports Week

The girls have really enjoyed their very active week—they have taken part in lots of physical activities and looked at various ways to keep healthy. Some of the activities they have enjoyed have included: Cheerleading, scooting, rounders, hula hooping, and skipping. Next week they will also undertake first aid training.

Geography

We have started a very exciting topic in geography called 'Growing up around the World.' In this topic we are going to study the lives of 11 children and see how physical and human factors affect their lives.
