SELF

Winterbourne Junior Girls' Year 6 Newsletter

Week ending: Friday 25th September 2020

Science This week

This week, children explored how gravity keeps all of the planets (including Earth) in orbit around the Sun, and the Moon in orbit around the Earth. They learnt the effects of gravity and air resistance in everyday life.

The weather has started to get a bit chilly this week. Please make sure that your daughter brings a coat to school, as some of the girls have been finding it a bit cold at play times. Please could you also ensure that all clothing is named, as this makes things much easier in school.

Year 6 Attendance this week

As a school, we are aiming to achieve an attendance target of over 97%

6.1: 96%

6.2: 94.4%

6.3: 87.1%

Year 6 need to improve their attendance!

Star students of the week:

(6.1) Jasmine, Eman

(6.2) Zoe, Anishka

(6.3) Precious & Nicole

Ask your daughter about
the **IDIOM OF THE WEEK!**
