

# Winterbourne Junior Girls' School

## Weekly Newsletter

Week Ending: Friday 9<sup>th</sup> October 2020

Year Six have settled in well to the new term and are now experts at making their way around our one-way system and having staggered break times. There is a lot to remember; here are some handy reminders for the girls. Music lessons are underway; please check that your daughter knows the day and time of her lesson, and practises at home. The water fountains have been turned off for safety reasons, but the water in the taps is exactly the same, so the girls can fill their bottles in the classroom. A water bottle is essential if the girls are to stay hydrated and ready to learn! Now is also a good time to check that PE kits contain warm clothing, as we will continue to teach PE outside as the weather gets colder. Finally, please check that all clothing is named!

### Idiom of the Week

### In Geography this week,

Year 6 identified some key human rights issues around the world. Through discussion and debate, they recognised that there are specific rights and responsibilities for children. This lesson developed their ability to think critically to make a choice to prioritise the most important rights for themselves and for the global community.

### Star Student of the Week:
