

Year 5 Newsletter

Week ending: Friday 20th November, 2020

Reminders. Year 5 had their harvest performance on Wednesday; the girls were fantastic and had a wonderful time performing, by live stream, to the rest of the school. We have recorded the performance and will broadcast it to you next week once we have completed the editing. We are still collecting for the Winterbourne Food Bank for parents who need the support. Thank you again for your wonderful harvest donations!

On Monday 23rd November, Year 5 will watch a virtual theatre presentation on sustainable travel. This is entitled 'Abbie Ayre and the Shed of Science' This performance will help the children understand ways that they can reduce negative impact on air quality and understand the positive benefits of using sustainable travel.

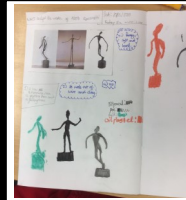

English

Due to our harvest rehearsal, some lessons were affected and will be revisited next week.

Next week, we will continue learning about 'Mr Tumnus': a mysterious, magical character from the book. We will be analysing his unusual appearance, as well as considering his positive and negative traits. The children will produce a detailed 'Missing Poster' for Mr Tumnus. Please talk to your daughter about famous people in the real world : discuss their positive and negative personality traits.

Art This Week

The girls have been learning to use different art medium to express themselves. They are becoming confident in using different materials!

Please follow us on Twitter and support our school @WJGSS

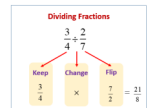

Attendance

Our target as a school is 97%. Our attendance is at 95.26% .

Maths

For our Maths focus , we will be learning how to divide fractions and convert fractions to decimals (converting tenths, hundredths and thousandths using long division).

The following website will help you to understand how to divide fractions:

<https://www.bbc.co.uk/bitesize/articles/zhw8wtv>

Do not forget to watch the videos!

Value of the Month Tolerance

Word of The week : divulge

Please find the meaning of the word and try to use it in a sentence.

Topic: Mysterious Materials

Science: We will be investigating the strength of different plastic bags. To carry out this investigation, we will need different types of plastics bags: Tesco, Poundland, Asda etc

Art: We will be planning and making our own wire sculptures of athletes.

R.E: We are continuing the Christmas story

Computer: We are learning to code.

Idiom of The Week :

Guess the idiom and its meaning.

On Monday 23rd November, the photographer will be at school to take individual, siblings and class photographs. Please ensure that the girls are smartly dressed in their correct uniform. Thank you.
