### Computing and Music

This week we have been researching the Waltz. We listened to a piece of music composed by Johann Strauss called 'The Blue Danube'. We discussed the rhythm and beats in each bar and the emotions we felt when we listened to the music. We are about to begin to compose our own interpretation of The Waltz using the Garage Band App on our ipads.

### D & T this week...

Year 6 looked at features of space rockets which are needed to make them work, and to make them a safe, comfortable place to stay. They further Investigated their similarities and differences.
