## Year 6 Newsletter

### Virtual Sports hall Athletics Competition Winners:

Congratulations to:

Dorothy and Tahira (6.1) who won gold - this is a huge achievement!

Alexis &, Carolina (6.1) and Nicole (6.3) won Silver - an excellent job!

### RE this Half-term...

The pupils are learning about Christianity. In particular the importance of Mary as the mother of Jesus. They will be considering what a difficult task she faced and empathising with her situation. They will also consider why Mary might have been chosen to undertake such an important role. With this in mind they will consider what personality traits are required of them when undertaking a task of importance in their own lives. Do they have personality traits that make them a person who can carry out important tasks? Which traits are of the most value?

### Maths this week...

Year 6 explored the properties of 3D shapes by looking at the nets of the solid shapes. To deepen their understanding and promote problem solving they used Polydrons to experiment with making various 3D shapes. They also took part an investigation where the nets of the shapes had been cut into two. They discussed about putting them together in several ways so they could be folded into the solid shapes.

### Word of the Week:

**Congenial**

### Value of the Month

**November - Tolerance**
