

# Winterbourne Junior Girls' School

## Year 5 Newsletter

Week ending: Friday 8th June 2018

Welcome to our weekly newsletter

During the week beginning 4th June we will be learning about:

**Maths:** We will learn how to find the volume of a solid in cubic units, and calculate the volume of liquid in a cuboid container.

Finding the Volume of a Regular Solid

Volume = height x length x width  
Volume of this cube = 10 cm x 10 cm x 10 cm = 1,000 cm<sup>3</sup>

**Writing:** We will be describing a mythical creature of our own design.

**Reading:** Our current focus is on careful reading of comprehension questions in order to provide the best possible answer.

**Topic:** We will be exploring and comparing different localities.

This half term we will be covering the Changing Me topic in PSHE. Next Thursday and Friday, 14th and 15th June, there will be a Coffee Morning Drop-In for parents to come along and view the materials we will be using; at this time you can also discuss any concerns you may have, before your daughter brings home the consent forms for each session.

### Attendance:

5.1 99.6%

5.2 97.31%

5.3 98.52%

### This week's awards

5.1 Maryam, Anna I

5.2 Tyra, Angela

5.3 Renee, Clervie

5.2 Will be having their class assembly on 20th June 2018 at 9:10am. All 5.2 parents are welcome to come.
