Year 6 Newsletter

Week ending: Friday 19th October 2018

Upcoming events:

Romeo and Juliet

After half term we will be studying William Shakespeare's *Romeo and Juliet*. This will involve watching the play and having a workshop visit the school so the pupils develop greater understanding of the text. This is usually a huge favourite in year 6 so we are looking forward to sharing this with the year group.

Take One Picture

The girls have been working hard on their Take One Picture entry—please ensure that the consent slip regarding work and photographs has been returned. We are looking forward to holding an exhibition of all the work next half term.

This term we have had an amazing time working on our 'Out of this World' Topic. We have explored this through PSHE, computing, science and Design and produced some fabulous work.

Next half term we are considering if there has ever been a better time to live. Please encourage pupils to think about the past and if any family members have stories of the past, then please encourage them to share these.
