Mrs Doyle runs the Homework Club for pupils who don't have a computer with Internet access at home. **Year 3** sessions are on **Tuesday** and **Thursday** every week between 12:45 and 13:15.

This provides pupils, who don't have a computer with Internet access, an opportunity to complete their online homework.

If your daughter falls within this category, please ensure she attends every week so she can finish her online homework. This means that there are no excuses for pupils not completing their online computer homework.
