

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending: Friday 30th November 2018

School Trip to the Science Museum

On Wednesday, 5th December 2018, we will visit the Science Museum. The girls will be extending their learning on our topic *Materials* and will participate in a workshop.

Please ensure that your child is in school by 8:45am as we will be leaving at 9:00 am sharp.

Fraction maths homework has been set on My Maths so that the girls can practise the skills they have learnt in class. The task involves: adding and subtracting fractions and converting improper and mixed fractions.

The girls will be given sufficient time to complete the task which is due on the 13th of December 2018. Please ensure that they complete this Maths activity.

Friday the 7th of December will be 'Slippers' Day'. Remember to wear your outdoor shoes to school and bring your comfortable slippers to wear at school. Your £1 donations will make a difference in the life of homeless children this winter.

Supporting

Shelter

We will have our School disco this Friday 7th of December 2018. It commences at 5:00 pm and finishes at 7:00 pm.

Next week, we are going to focus our learning on the following:

Writing: Writing a newspaper report about Edmund's visit to the palace.

Reading: using different reading skills to answer comprehension questions..

Maths : Revision of fractions : adding, subtracting, dividing and multiplying.
