### RE Project

The pupils are learning about Christianity. In particular the importance of Mary as the mother of Jesus. They will be considering what a difficult task she faced and empathising with her situation. They will also consider why Mary might have been chosen to undertake such an important role. With this in mind they will consider what personality traits are required of them when undertaking a task of importance in their own lives. Do they have personality traits that make them a person who can carry out important tasks? Which traits are of the most value?

**Slippers for Shelter** slippers' Day will be on **Friday, 7th of December**. Remember to wear your outdoor shoes to school and bring your comfortable slippers on the day. **£1 DONATION**
