

Winterbourne Junior Girls' School Year 4 Newsletter

Week Ending: Friday 25th January 2019

This has been a busy week with the girls undertaking investigations about their teeth. This involved them observing their teeth and making the 4 types of teeth we have in our mouth using modelling materials. They have also started an experiment to find out which liquids react and cause plaque on our teeth. We are using eggs for this, as it is similar in composition to the enamel on our teeth.

More will be revealed next week, when we will analyse the results of our experiment.

Maths Spring work out 3

English Spring work out 3

Spelling week 17

Reading 20mins each day

Maths sheet on angles.

There is also Purple Mash home work

Homework due by Thursday.

Year 4 Attendance this week

As a school, we are aiming to achieve an attendance target of over 97%.

4.1: 96.76%

4.2 :97.58%

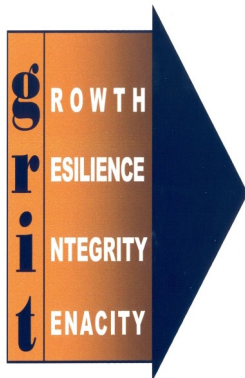

**BE
HERE
GET THERE**

Every day in school matters.

Come on
Year 4.2

We can do
better!

In school the girls are learning to develop GRIT. People who can put effort twice into their work are often more successful than those who use just talent. Help your child develop grit. A great attitude to develop to help them in life.

Star students of the week:

4.1 – Destiny & Shobika

4.2 – Mahirah & Hafsa

Our School Ethos is

'Aspirations, Expectations, No Excuses—
VINCAM—Together We Conquer'
