Plastic Recycling Awareness Poster Competition

Design a poster to encourage others to reduce single-use plastics.

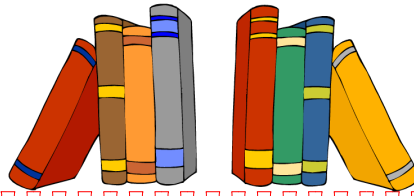

Plastic is having a terrible affect on our environment. We would like all pupils to take part in a poster competition that creates an awareness of plastic pollution.

Pupils should choose to focus on just one issue. Will it be straws or plastic bags, or something else?

Pupils should use a heading, bold colours and clear lettering. Make their message short, simple and to the point.

What images will have a big impact?

Deadline: Entries to be submitted by **Friday, 15 February.**

Multiplication Tables

Your daughter needs to know and instantly recall her tables from 2 to 10.

However, we have noticed a number of girls who have not learnt their tables. Please could you help your daughter to thoroughly learn her tables.
