

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending: Friday 15th March, 2019

Upcoming Event

As part of our Science and Design and Technology lessons on Fairgrounds, Year 5 will be going on an educational visit to the London Eye on the 27th March, 2019. Please remember to sign the consent form and return them to school by next week Friday. Thank you.

The Science Fair on Wednesday was very successful. Thank you to all the parents who took the time to attend the fair and for showing interest in finding out about year 5's Science projects. We would also like to thank all the girls who contributed to such a successful event. Our little scientists' curiosity and motivation contributed to very successful science investigations where children developed a secure knowledge on different topics and new skill. We want to extend a big thank you to the presenters who were very confident and knowledgeable. You were outstanding!

Next week we will be focusing on the following in class:

Writing: We will be writing a first-person recount as Cherry. The girls are expected to use the following features: powerful vocabulary, Alan Peat sentences and various sentence starters.

Reading: Annotating and identifying features in the story The Giant's Necklace.

Maths : We will be revising topics learnt to prepare for the upcoming tests on the 25th of March, 2019. Please support and encourage your daughter revise at home as well.

Topic: Researching and designing fairground rides.

Attendance

Our target as a school is 97%

5.1 97.78% 🧡

5.2 98.52% 🧡

5.3 97.78% 🧡

On the 26th March 2019, we will take part in the Sustrans Big Pedal- the UK largest school cycling, walking and scooting challenge.

Let's walk to school! As part of the Big Pedal activities, Dr Bike, a mechanic, will be at school to service bikes. Please feel free to bring in your bikes to be fixed.
