Winterbourne Junior Girls'

Year 6 Newsletter

Week ending: Friday 20th September 2019

Please talk to your daughter about her tests this week. We have tested the girls in order to get a good picture of the needs of the children in their sets and this enables pupils to understand what is expected of them.

Foundation Subjects: In year 6, the foundation subjects are being taught on a rotation of Science, D&T and PHSE. They will be designing a logo for a space travel company, studying the solar system in depth and focusing on resolving / conflict strategies.
