# Winterbourne Junior Girls' School

## Year 3 Newsletter 5

Week ending: Friday, 4 October 2019

### Topics for the Week

English: Story Writing

Maths: Addition

Science: Insulators & Conductors

### October: Black History Month

This Monday, we are focusing on famous Black Women for Black History month. Throughout the day, your daughter will experience fun and informative activities on a variety of significant Black Women. On Monday evening, ask your daughter which Black Women she learnt about and which one intrigued her interest the most.

### Nasal Flu Vaccine

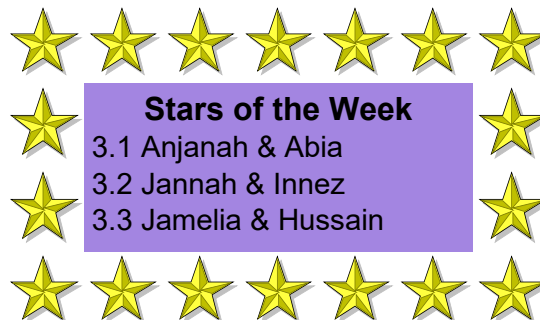

If you have not already returned your Nasal Flu Vaccine Consent Form, then please do so as soon as possible. We need the forms for our records — even if you do not consent to the vaccine.

### Emotional Wellbeing

Next Friday, the girls will be visiting Elmwood Infants to share in *The Fantastic Fred Experience*. This involves looking after their own mental health in a positive, memorable and practical way.

### Number Bonds to 20

Please could you revise the Number Bonds to 20 with your daughter. Each child needs to be able to *recall and use addition and subtraction facts to 20 fluently* (Year 2 Maths Curriculum). To assist you with this, we have sent your daughter home with a number bonds sheet to practise. As a year group, we are aspiring to achieve instant recall in number bonds.
