Once again, we have bought into the Croydon Schools Sport Partnership (CSSP).	£3,973	This gave our pupils access to inter and intra school competitions. The CSSP also continues to give staff access to training to develop their own teaching skills. Membership improves the quality of teaching and introduces the staff and school to new initiatives e.g. Real P.E.
We pay for a female coach to train our TAs to deliver PE once a week in Years 3 to 6	£14,440	This allowed all our pupils access to PE lessons taught by professionals with a high level of skill and a wide range of knowledge about different sports and also allowed for TA professional development in P.E. The coach planned and delivered sessions with the TA observing, they then team taught a session and finally the TA delivered a session under the supervision of the coach.
