Year 5 Newsletter

Week ending: Friday 13th March, 2020

Upcoming Events

Class 5.2 will have their assembly on Wednesday 18th March at 9:10 am.

As part of our religious education work on Hinduism, we will be visiting the South Norwood temple on Thursday 23rd April.

The Science week was successful. Thank you to all the parents who took the time to attend the fair and for showing interest in finding out about all the Science projects. We would also like to thank all the girls who contributed to such a successful event. Our little scientists' curiosity and motivation contributed to very successful science investigations where children developed a secure knowledge on different topics and new skill. We want to extend a big thank you to the presenters who were very confident and knowledgeable. You were outstanding!

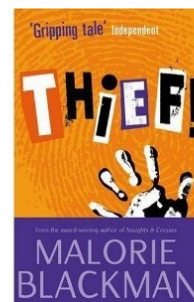

Next week we will be focusing on the following in class:

Writing: Writing a letter from Lydia's father.

Maths: Real-life word problems involving percentage. For example insurance charges, sales and discounts, service charges and interest rates.

Science: Electricity and electrical forces and Superbugs
