

# Winterbourne Junior Girls' School Year 4 Newsletter

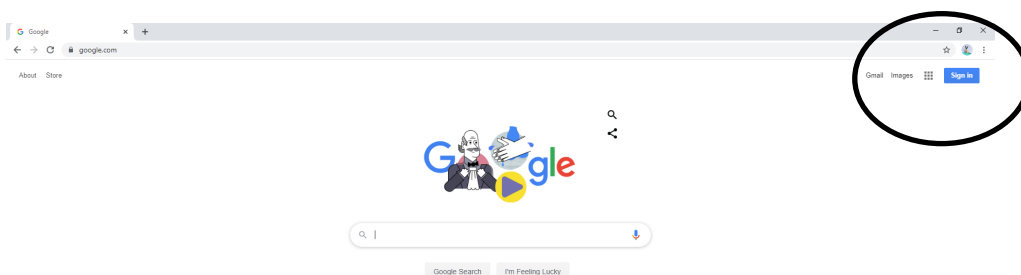

Value of the Month:

Hard Work

**Week ending Friday 20th March 2020**

**School Closure**

Whilst the school is closed, the children can access learning through Google Classroom. They will be expected to log on every day and complete the work that has been set for them. This may include work from the booklets that they have taken home, it may be an online task or a creative project that takes a few days to complete.

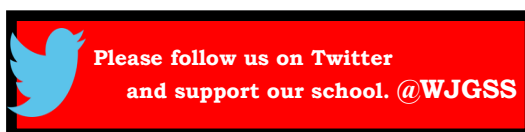

In order to log on to Google Classroom, they will need to log in to their Google account at <https://google.com>. This is done using their .306 login + @winterbournegirlsschool.co.uk.

For example: [jsmith004.306@winterbournegirlsschool.co.uk](mailto:jsmith004.306@winterbournegirlsschool.co.uk).

Work will be uploaded at 9:30am every weekday, and it should be completed by 3:00pm. Failure to complete work by this time will be followed up.

**Prevention is better than cure!**
