

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending: Friday 6th March, 2020

Next week is Science week and this year the focus is on Journeys. We will be having our Science Fair on Tuesday, 10th March, at 3.30-4.30pm in the school hall. All parents and carers are invited to view the displays.

Here is the topic Year 5 will be presenting:

5.1 Investigating electricity.

5.2- Investigating "Does fruit last longer when it has been cut?"

English

In English, the girls will be writing a diary entry from the perspective of Lydia. They will need to include the following features:

Prepositional phrases to describe what can be seen, heard

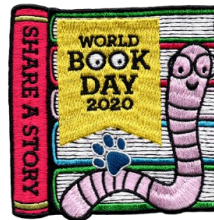

Emotive and ambitious words to describe the emotions of Lydia..

A wide of punctuation marks including dashes, commas, semicolons, colons and exclamation marks.

Maths

We will be solving percentages word problems .

World Book day pictures

The girls had a wonderful time drinking hot chocolate whilst listening to stories read to them.

Reading Certificates:

5.1: Alyisha

5.2: Mahirah & Jinal

Award Winners this week:

5.1 Sinthiyaa & Kavinaya

5.2 Laila & Anishka

Homework set this week:

1 Ten minute English workout for Monday

1 Ten minute Maths workout for Monday

Spellings definition (Spellings 27) and Alan Peat Sentences
