# Winterbourne Junior Girls'

## Year 6 Newsletter

**Week ending: Friday 3rd July**

### Sports Week

All this week the girls have been enjoying a range of activities based around Sports Week. Every day they have competed in two challenges ranging from Jumping Jacks to bean bag throwing. We have also looked at healthy eating and drawn a picture of a nutritious lunch box.

We have really enjoyed the physical activity, and some of the girls have shown a very competitive streak—so no doubt their fitness levels have improved and there may be a few tired leg muscles this weekend!

### Writing

Our writing this week has been all about the Mirror of Erised from Harry Potter, in which the viewer can see their heart's desire. The girls have produced some very imaginative writing—maybe you could ask your daughter how many cars her dream mansion has outside!

### Outdoor art challenge

Next week, we will be taking part in a challenge to create art from 'found' objects outside the school. Below are some artworks by Andrew Goldsworthy, who uses 'found' objects in this way and leaves his creations where he has made them, for others to find and enjoy.
