Year 6 Farewell Afternoon

It was lovely to see so many of Year Six turn up on Thursday afternoon for our Farewell celebrations. The weather was good to us and the disco was a great success, with everybody on the 'dance floor' enjoying themselves. The girls got to sign each other's shirts and Leavers' books—and they managed social distancing brilliantly.

We are very proud of the WJGS Class of 2020, and the way in which they have both worked hard and adapted to the strange times in which we have found ourselves. We know that they will continue to uphold our Values as they move into their secondary education, and wish them—and their families—all the best in the coming year and beyond.
