## Charging and Remission Policy

### 1. Purpose of Policy

We believe that all our pupils should have an equal opportunity to benefit from school activities and visits (both curricular and extra-curricular) independent of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered, whilst at the same time try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

Our school aims to:

- ◆ Have robust, clear processes in place for charging and remissions
- ◆ Clearly set out the types of activity that can be charged for and when charges will be made

### 2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England.

### 3. Definitions

- ◆ **Charge:** A fee payable for specifically defined activities
- ◆ **Remission:** The cancellation of a charge which would normally be payable

### 4. Roles and responsibilities

#### 4.1 The governing board

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the Head Teacher. The governing board also has overall responsibility for monitoring the implementation of this policy. Monitoring the implementation of this policy has been delegated to the School Business Sub-Committee.

#### 4.2 Head Teachers

The Head Teacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

#### 4.3 Staff

Staff are responsible for:

- ◆ Implementing the charging and remissions policy consistently
- ◆ Notifying the Head Teacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

#### 4.4 Parents

Parents are expected to notify staff or the Head Teacher of any concerns or queries regarding the charging and remissions policy.

### 5. Where charges cannot be made

Below we set out what we **cannot** charge for.

#### 6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment.

Optional extras include, but are not limited to:

  - The national curriculum
  - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
  - Religious education
- ◆ Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

Some clubs, such as Choir, are available free of charge to all pupils. Other clubs, such as Breakfast Club, offer free places to those children who are in receipt of Pupil Premium. If a

### 7. Voluntary contributions
