## Year 6 Newsletter

Week ending: Friday 11th September 2020

It's wonderful to see the girls coming back to school and we are very much enjoying being in school and interacting with their friends after a long time.

The girls have settled well into our new routines in Year 6 and the staggered timings are going smoothly—thank you to parents and carers for supporting our safe practice as we start to return to a more normal way of life.

As a school we are going to celebrate Roald Dahl's birthday on Monday 14th September 2020. A £1 donation will be collected for charity.

Children can come to school dressed as a character from Roald Dahl's book, they can wear yellow clothes or they can wear their school uniform back to front.
