Winterbourne Junior Girls' School

Year 3 Newsletter 6

Week ending: Friday, 16 October 2020

Year 3 will be running a **Black History** Enrichment Day this
Monday. We will be looking at:

• Music by **Samuel Cole-**ridge-Taylor (1875 - 1912)

ridge-Taylor (1875 -1912), a local black composer and conductor.

- Mae Jemison (1956), American engineer, physician, and former NASA astronaut, also the first black women to travel into space.
- Poetry by John Agard (1949), an Afro-Guyanese playwright, poet and children's writer.
- Mary Seacole (1805 1881) a British-Jamaican nurse, healer and businesswoman. She also tended to the wounded during the Crimean War.

Value of the Month for October:

Forgiveness

Please follow us on Twitter and support our school **@WJGSS**There are some fascinating items of interest about
Winterbourne Junior Girls'
School.

Next week Friday ...

The School Council has decided to participate in **Breast Cancer Awareness Month**. For a £1 donation, that will go to the charity, the girls can dress up in pink or wear a pink item of clothing with their casual clothes for the day. They can have their nails painted in pink for 50p and refreshments will be available for 50p.

The school breaks up for the half-term holidays next week Friday, 23 October, at 15:25.

Reading Certificates

3.1: Sana, Manha, Hanna,Aarya, Andra, Arshitha,Hasanat, Afia3.3: Akshaya,Telina, Aaliyah, Micaela

Idiom of the Week

This week ...

English

This week the girls having been making notes for a newspaper article and learning to write the headline and lead paragraph for their news report.

Things to do at home

Go through simple but interesting news articles with your daughter focusing on common characteristics: heading, lead paragraph, by-line, body, quotes, photographs and captions.

Typing

The girls are learning to type in computing. They can practise the home row keys by logging onto PurpleMash.

The exercises will help them improve their typing speed.

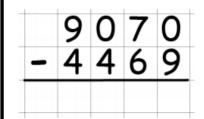

This week ...

Mathematics

This week we have been focusing on subtracting two 4 digit numbers with exchanging of hundreds and thousands.

Things to do at home

She can practise subtracting two 4 digit numbers with exchanging at home to reinforce the work covered in class. Here is an example:

The girls can then practise their addition skills by checking their answers.

Next week ...

Assessment Week

All the girls will be completing assessments in:

- ♦ English
 - Mathematics
- Science

Things to do at home English

Daily Reading: there is nothing that can replace the benefits of children reading books on a daily basis.

Mathematics

Firstly, work with your daughter to find out if she knows all her numbers bonds to 20. In year 3 she is required to have instant recall of her number bonds to 20.

Secondly, reinforce instant recall of 2, 3, 4, 5, 8 and 10 multiplication and division facts.
