

# Winterbourne Junior Girls' School

## Year 3 Newsletter 7

**Week ending: Friday, 23 October 2020**

**Monday's Enrichment Day**

**Black History Month**

3.1 and 3.3 composed music on a river theme, inspired by Florence Price and Samuel Coleridge Taylor. They explored the achievements of Mae Jemison, launched rockets and made a space diorama.

In the afternoon, they used "Checking Out Me History"- a poem by the Afro-Guyanese poet, John Agard, to explore why we need to learn about Black History. Focusing on the life of Mary Seacole, mentioned in this poem, they made concoctions of simple remedies such as lemon, ginger and herbs.

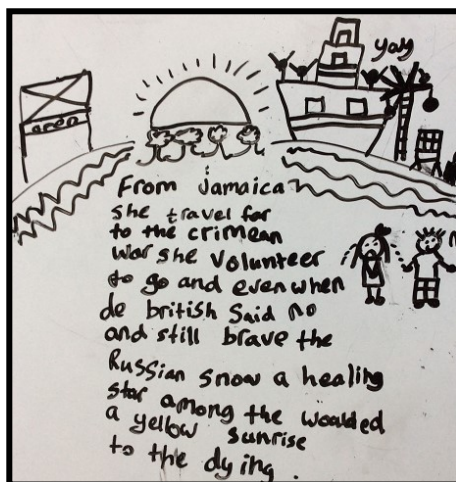

**Value of the Month**

**for October:**

If we really want to

**Idiom of the Week****During the Holidays ...**

A few weeks ago we sent your daughter home with instructions on **How to log into your Google Suite Account for the first time at home**. Over these past weeks, the G Suite has now become an integral part of their education. Furthermore, in the event of lockdown that involves a school closure, this computing platform will be used to educate the children at home on a daily basis.

Therefore, it is now appropriate to introduce you to G Suite. So today we have sent home a paper letter that explains how the **G Suite** works. Please go through it with your daughter so she can show you her work and discuss it with you.

**During the Holidays ...****Typing**

The girls are currently learning to type in class. The holidays are an ideal opportunity for them to further practice their skills.

They can practise the home, top and bottom row keys by logging onto PurpleMash. The activities will help them improve their typing speed.

- 2– Home Row Keys

**Activities on Top Row Keys**

Compare your daughter's Initial scores at the beginning of the holidays to her final scores at the end of the holidays. How about you? Would you like to compete against her?
