

Winterbourne Junior Girls' School

Year 3 Newsletter 11

Week ending: Friday, 27 November 2020

Word of the Week

congenial

Have you submitted your sentence?

We set an activity for the girls in 3.1 to complete this week so we could identify which girls can and can't log into Google Classroom at home.

However, there are 11 girls that have not completed this task. Please could you assist your daughter with logging into Google Classroom so she can complete the activity.

Value of the Month

for November:

Tolerance

Idiom of the Week

Bucket Fillers

3.1 Haleena
3.3 Princess, Ianna,

Monday's Enrichment Day

On Monday Year 3 had an exciting day being tomb raiders. We explored the tomb by flashlight (Candles not allowed) which gave the children the feeling of how dark it was inside the tomb. They loved looking at the artefacts in the darkness of the tomb. They were able to talk

eloquently about one object that they liked.

They made Egyptian Bread and every child took a small loaf of Egyptian bread home with them.

In the afternoon they painted their Egyptian Death Masks in the style of Bridget Riley.

Next Week ...

English

The girls are going to write a story in a hundred and start Explain Text.

History

Researching aspects of daily life in Ancient Egypt.

Science

We will be sending home daffodil bulbs, planted in soil, for the girls to grow as part of a competition.

Maths

We are going to be teaching the children about division: dividing 2 digit numbers by a single digit.

How to help them at home ...

Some of the girls are struggling because they don't know their tables from 2 to 10. We would appreciate you supporting your daughter in learning these tables so she can instantly recall them when calculating multiplication and division problems.

Parts of a Division

$$\begin{array}{ccccccc} 11 & \div & 2 & = & 5 & R & 1 \\ \text{dividend} & & \text{divisor} & & \text{quotient} & & \text{remainder} \end{array}$$

$$\begin{array}{r} 5 \leftarrow \text{quotient} \\ \text{divisor} \rightarrow 2 \overline{)11} \leftarrow \text{dividend} \\ \underline{10} \\ 1 \leftarrow \text{remainder} \end{array}$$

Spanish

Miss Gonzalez, the Spanish teacher, was very impressed with the girls' computer skills in the Spanish lesson this week.

Day	Weekly Homework beginning Monday, 30/11/20	Due
Monday, 30	Maths Practise test questions for retest this Friday.	30/11/20
Tuesday, 1	English 10 Minute Weekly Workouts Spring Term: Week 1	09/12/20
Wednesday, 2	English 10 Minute Weekly Workouts Spring Term: Week 1	09/12/20
Thursday, 3	MyMaths Complete Homework Activities	10/12/20
Friday, 4	Spelling Learn Week 10 Spelling Words for test next Friday.	11/12/20
