Idiom of The Week

Word of The week : PRIVILEGE

Encourage your daughter to find the meaning and use it in a sentence.

Topic: Mysterious Materials

Science: We will be learning about dissolving The girls will plan investigations to identify materials that are soluble and insoluble. They will also investigate factors that that affect dissolving.

Art: We will be creating wire sculptures.

Religious Education: Investigating different accounts of the Christmas story.

Please do not forget to participate with your daughter in The

London Youth Games/ Virtual Games. Your daughter has a link in **Google Classroom** where you can register and submit each week her score. On Monday you will have a new challenge! Let's keep active!

English

This week we have been reading one character's unexpected adventure in the magical wardrobe.

In writing the girls have written a first person description of what it might be like to discover and explore an enchanted wardrobe– the have been using their 5 senses to add detail.

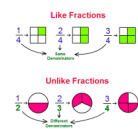

Next week we will read the second chapter of the book: discuss events, characters and explore different shades of meaning found in synonyms. We will also use a non-fiction text to learn more about Harvests all around the world.

Value of the Month November Tolerance

Maths

For our Maths focus , we will be learning how to identify like and unlike fractions.

The girls will also learn how to add and subtract fractions. They will use a pictorial representation to help them visualise the fractions.
