Word of the Week:

PRIVILEGE

Homework this week..

Please remind your daughters to login to google classroom regularly to check what homework is set for them to complete each week.

Homework tasks related to Fractions are now set on MY maths to be completed over next 2 weeks.

History this week:

Our theme this half-term is 'Has there ever been a better time to live here?' This week we have been recapping on all the periods of history which the girls have previously visited, such as Ancient Rome and the Normans. We created a timeline as a class, using research to pinpoint dates. We then thought about what makes life good for us, and whether these factors were present during other periods of history. We will be going on to look at pandemics through the ages, and focusing on different periods of time to decide how we feel about 2020!
