Has there ever been a better time to live here?

For our History Topic this week, Year 6 compared life in the 1950's with the present day, considering the Housing, Entertainment, Educational and the Health Facilities. Followed by the discussions and their own research on the topic, they created the posters comparing different eras in the history.

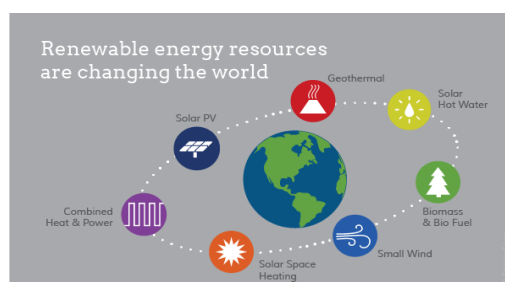

Value of the Month

December- Respect

Science This Week...

Year 6 worked in groups to conduct their own research on renewable sources of electrical power. They evaluated each of the sources, exploring pros and cons. They also considered the cost and the efficiency of each source. Each group prepared a Power-Point to present their finding to the rest of the class.
