Year 3 Word of the Week

predate

Have you submitted your sentence?

Be a reflection
of what you'd like to receive.
If you want love, give love.
If you want truth, be truthful.
If you want respect, give respect.
What you give out will
always return.

- Kristen Butler

3.1: Hanna and Arshitha

3.3 Akshaya, Telina, Shahithya, Geanelle, and Innaya

MERRY CHRISTMAS & HAPPY NEW YEAR

There is homework set on Google Classroom that we expect to be completed and handed in.

The pupils have been set a topic focus — asking someone about the changes in their life-time that they have seen . They are expected to talk to a known adult and type up the changes they have seen.

There is also an Accelerated Reader Quiz and an hour of Coding set for both classes.

School reopens on Tuesday, 5 January.

Dear Parents and Carers

We are sure that this year has been tougher than ever to create the Christmas you wanted. The Covid 19 pandemic that's affected everyone, the lockdown and financial constraints. There may be loved ones who couldn't fit in your bubble. Therefore, we are taking this opportunity to wish that the magic of the Christmas season fills your home with love, joy and peace. We are sending lots of warm wishes and thoughts to your family, and looking forward to the day things return to normal. Take care of yourselves and stay safe.

Mrs Hibbs, Mrs Selvadurai, Mr Sidwell
The Year 3 Teachers

Next Term ...

English: *George's Marvellous Medicine*

Maths: Word Problems and Mental Calculations

Geography: How can we make living here better for everyone?

Maths

We have now completed the unit on Division. Over the Christmas holidays it would be wonderful if they could continue to practise their division skills and learn the four terms that are involved in a division operation:

$$\begin{array}{r} 5 \leftarrow \text{quotient} \\ \text{divisor} \rightarrow 2 \overline{)11} \leftarrow \text{dividend} \\ \underline{10} \\ 1 \leftarrow \text{remainder} \end{array}$$

Over the Christmas Holidays

Please ensure that your daughter continues each day to practise her number bonds to 20. They need to instantly recall their number bonds — a Year 2 requirement.

The girls also need to know by heart their multiplication tables from x2 all the way through to x10.

These number skills are the key building blocks of mathematics so are very important.

Day	Weekly Homework beginning Monday, 04/01/21	Due
Monday, 4	INSET	
Tuesday, 5	Maths 10 Minute Weekly Workouts Spring Term: Week 1	13/01/21
Wednesday, 6	Maths 10 Minute Weekly Workouts Spring Term: Week 2	13/01/21
