Slipper Day, Friday, 11 December

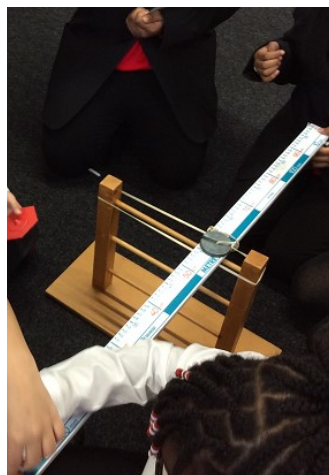

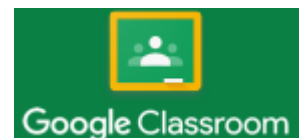

A mufti day with a twist in that the girls can wear their slippers for a donation of £1. The girls will need to wear appropriate outdoor shoes to travel to school and home again.

All proceeds to be donated to Shelter.

This Week ...

We have had a really successful week. We have used *Padlet* to record our work on daily life in Ancient Egypt. It has been posted in google classroom. It would be an excellent opportunity for your daughter to show you the work at home.

We also constructed Shadufs in Design & Technology.

All children have been sent home a daffodil bulb to grow. This will need to be brought back to school next year when they are in bloom.

**Next Week ...
English**

In English next week we will be starting an Explanation text about how Ancient Egyptian Farmers got water from the River Nile.

History

The girls are going to examine two questions:

- *Why do we know more about the Ancient Egyptians than the Ancient Britons?*
- *Who were the greatest Builders?*

Maths

We continuing with the unit on Division.

$$\begin{array}{r} 5 \leftarrow \text{quotient} \\ \text{divisor} \rightarrow 2 \overline{)11} \leftarrow \text{dividend} \\ \underline{10} \\ 1 \leftarrow \text{remainder} \end{array}$$

How to help them at home ...

Some of the girls are struggling because they don't know their tables from 2 to 10. We would appreciate you supporting your daughter in learning them.

Winterbourne's

It's that time of the year for the girls to start thinking about what they would like to do for *Winterbourne's Got Talent*.

Their performance can be based on any skills they have and can also incorporate any theme or cultural aspect from around the world.
