Year 5 Newsletter

Week ending: Friday 4th December, 2020

Reminders. On Wednesday 9th of December, Year 5 will have their movie night 3.30–6.30pm. On Friday 11th of December, the girls can wear their own Clothes and Slippers for the charity Shelter. We are asking for a donation of £1 .

This week, the girls were mini scientists. They carried out an evaporation fair test to identify the amount of sugar in different drinks. The girls observed and checked their work to finalise their conclusion.

In art, the girls made their wire sculptures and learnt new ways to apply clay to a frame.

English

Next week, we will be writing a letter asking for advice from the perspective of an anxious character. We will be considering what advice the character has already been given and how that has added to her worries.

$$\begin{aligned} 1\frac{1}{2} + 2\frac{3}{4} &= (1+2) + (\frac{1}{2} + \frac{3}{4}) \\ &= 3 + (\frac{2}{4} + \frac{3}{4}) \\ &= 3 + \frac{5}{4} \\ &= 3 + 1\frac{1}{4} = 4\frac{1}{4} \end{aligned}$$
