## Year 6 Newsletter

### Week ending: Friday 15th January 2021

#### Citizenship Workshop

This week we were lucky enough to receive an invitation to attend a Citizenship workshop run by TfL. In normal circumstances we would attend in person, and this year a lot of work has gone into creating presentations about safety on public transport, fire safety in the home, advice on what to do if you encounter a dangerous situation while out and about, how to treat dogs with respect, and information about Zip Cards—all very enlightening for the girls.

#### Value of the Month

**January—Ambition**

#### Science

Our topic for this half-term is

***Why do some animals no longer exist?***

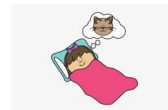

So far we have looked at the way in which animals adapt and evolve in order to survive and flourish in their environment. We started last week by considering how we are similar to, or different from, our family members—the characteristics we inherit.

Over the coming weeks we will be continuing to look at different features of animals and how their bodies and habits help them to survive by creating homes, staying safe from predators, finding food and reproducing.
