

Winterbourne Junior Girls' Year 5 Newsletter

Week ending: Friday 22nd January, 2021

Welcome back to our third week of learning. The girls have been working hard to make their learning successful. Please remember to monitor their learning to ensure that they are fully focused on the work set in their classrooms– thank you.

Maths

Next week we will apply equivalent ratio concept, part-whole concept, taking away concept, and comparison concept to solve up to 2-step word problems involving ratio of two quantities.

This video will be useful to understand equivalent ratios:

Encourage your daughter to practise her timetables everyday with J2Blast!

English:

Next week, we will be writing an entry for Michael's log book about his first day on a mysterious deserted island after falling overboard with only his beloved dog and his football for company. We will focus on creating mysterious atmosphere and orienting the reader.

Please continue to encourage your daughter to keep reading for at least 15 minutes every day and to keep taking AR quizzes.

Reading Certificates:

5.1: Zainab, Julia

5.2 Tianna

Value of the Month :

Ambition

DON'T BE AFRAID TO BE AMBITIOUS ABOUT YOUR GOALS. HARD WORK NEVER STOPS. NEITHER SHOULD YOUR DREAMS.
DWAYNE JOHNSON

Ambition is the first step to success. The second step is action.

Topic: Who are we and why do we live here? UK and Duluth, Minnesota USA

Geography: This week the girls learnt about the Great Lakes and the land use of the area surrounding Lake Superior. Next week we will learn more about the climatic zones which include lines of latitude and longitude. The girls will be introduced to pictures showing how children spend their time in Duluth. They will write paragraphs explaining: How living in Duluth affects the lives of the children that live there?

R.E: We will continue to learn about Hinduism. The girls will learn about puja and its importance in worship.

Computing: The girls are learning how to be game creators. This week the girls designed the game quest and character to make it a playable game. Next week they will learn to edit and improve their games.

Art: This week the girls experimented with tint, tone and shades. Next week they will use all the information learnt to create their own art work.
