

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending: Friday 12th February, 2021

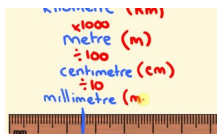

- This week was online safety week. The girls learned how to stay safe online and created a leaflet on how to become a good online role model.
- Next week is half term. Remember to read books online using Myon and complete your

Maths

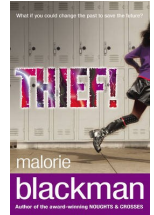

Next term, we will be looking at the maths topic Measurements. The girls will be learning to convert a measurement from a larger unit to a smaller and vice versa. In order to understand this unit, they will need to know about the different units of measurement for length, mass and volume. They will also practise the key concept of direct proportion.

Please encourage your daughter to practise her timetables everyday with J2Blast!

English:

Next term, we will be reading "Thief" by Malorie Blackman. A thrilling adventure about a girl who makes the wrong decision and is plunged into a world where she has to put it right or else EVERYONE suffers. Ask your child to find out more about this fantastic children's author.

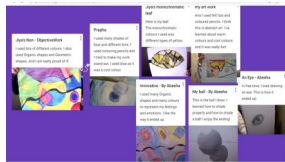

Please continue to encourage your daughter to keep reading for at least 15 minutes every day and to keep taking AR quizzes.

Reading Certificates:

- 5.1: Zainab, Saanvi, Shreya, Prapha, Jiya
- 5.2 Syeda, Aleesha, Harnoor, Roy, Khadija, Sevim, Aya,

This week the girls completed all their art work. They had a fun time identifying their areas of strength and listening to suggestions on ways to improve.

Value of the Month :

Love

Class Certificates

- 5.1 Jiya & Zainab
- 5.2 Nairah & Kinza

Topic: Fairgrounds

Next term we will be learning about fairgrounds. This is a mixture of Science, Geography, History and DT lessons.

Science: For the first week the girls will learn about electrical circuits.

History: The girls will learn more about the history of fairgrounds.

Geography: The focus will be on the locations of the British countries.

R.E: For this term we will focus on Christianity. The girls will learn about the Easter story.

Computer: The girls will learn to use the 2Design and Make tool on purple mash to create and draw buildings.

DT: We will be designing a shaky hand tester for a
