

Winterbourne Junior Girls' School

Year 6 Newsletter

Week ending: Friday 12th February 2021

Well done to all the girls in year 6 for their excellent online learning behaviour. Throughout this half-term, the girls have been working hard and being very sensible about their online safety.

We will return to our Google Classroom after the half-term break (Monday 22nd February 2021 at 9.00 am.) Please remind your daughters to use MyOn to read the books regularly. This half-term, no homework is set for the girls as they need some break from their screens.

Enjoy a wonderful break and find time to appreciate the little things.

Value of the Month

February - Love

History this week - Equality, Representation and Census.

Year 6 joined a fantastic History lesson delivered by Professor David Olusoga and Dr Yinka Olusoga to explore how can the census help us think about equality and representation. They learnt how information from historical sources such as the Census Record is helping researchers to make the lives of more people visible in the historical record.

The girls have produced some fantastic diary entries as a follow up task
