

# Winterbourne Junior Girls' Year 5 Newsletter

**Week ending: Friday 5th February, 2021**

Thank you to all the girls for logging into Google Classroom on time and for completing the tasks set to a high standard. Keep up the good work!

## Maths

Next week, we will be working with decimals: converting them and dividing them by tens, hundreds and thousands. Your daughter needs to remind herself about the place value of each digit within a number, including place value to the right of the decimal point.

New look at the chart below

	Hundreds	Tens	Ones	Tenths	Hundredths
Number	3	2	1	0	0
Number	1	0	0	0	0
Number	0	0	0	0	0
Number	0	0	0	0	0
Number	0	0	0	0	0

Encourage your daughter to practise her timetables everyday with J2Blast!

## English:

This week we are analysing the enigmatic character Kensuke. We will consider the real historical events that led to him being marooned on the island. From Michael's perspective, the girls will write a letter to Michael's parents describing his strange new friend.

**Please continue to encourage your daughter to keep reading for at least 15 minutes every day and to keep taking AR quizzes.**

## Reading Certificates:

5.1: Maryam Saanvi, Zainab, Jiya, Ana

5.2 Tianna, Isabella, Khadija, Yagmur, Ramlo, Nooreh, Maria, Nairah, Roy

## Value of the Month :

**Love**

You always gain by giving love.

## Topic: Who are we and why do we live here? UK and Duluth, Minnesota USA

**Geography:** This week the girls learnt about the lines of latitude and the physical and human features of Lake district. Next week they will make a comparison of the Lake District and Great Lakes and design an advertising poster for the Lake District.

**R.E:** We will recap what we have learnt so far on Hinduism. The girls will show their understanding of how Brahm can be in every where and in everything .

**Computer:** The girls are learning how to be game creators. This week the girls self evaluated and peer assessed their games. Next week they will complete their leaflets and create an advert for their games.

**Art:** This week the girls learnt about Wassily Kandinsky and recreated his art style using warm and cool colours. Next week, the girls will use their time to finish work they haven't completed and critique their art work.
