On **Tuesday, 9 February 2021**, we will celebrate the 18th **Safer Internet Day** with actions taking place right across the globe.

Parents and carers, you play a crucial role in empowering and supporting children and young people to use digital technologies responsibly, respectfully, critically and creatively.

Indeed, parental influence, guidance and education have a significant and long-lasting impact on children's safety and wellbeing in the online world. Therefore, there are plenty of ways for you to participate in Safer Internet Day, whether it is by ensuring an open dialogue with your children, educating them to use digital technologies safely and positively, or acting as digital role models.

Philosophy Question of the Month:

Is it easier to love or to be loved?
