

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending: Friday 5th March, 2021

- We look forward to welcoming all the children back on Monday just in time for **International Women's Day**. We have set a homework task for the girls to learn the steps for our whole school dance? Wednesday is the start of **Science Week**. The girls will learn about inventions and become innovators themselves working on different projects.

Maths

Next week we will be learning about percentage; the girls will learn to express percentage as a fraction with denominator of 100. They will also learn to convert the fraction to a decimal dividing by 100. We will be using bar models to express fractions as decimals. Here are some useful websites
<https://www.youtube.com/watch?v=dzIHilJBFmw>
<https://www.youtube.com/watch?v=AL0-0f9azNo>

English: Next week, we will be writing a diary entry from the viewpoint of Lydia – the conflicted main character on *Thief*. The girls will consider how Lydia's emotions are shown in the text and carefully select the matters that are of most importance to her.

Please continue to encourage your daughter to keep reading for at least 15 minutes every day and to keep taking AR quizzes.

Reading Certificates:

5.1: Eva, Saanvi, Zubda, Mahrukh, Jiya

5.2 Danya, Aleesha, Niame, Roy, Makayla

Value of the Month :

Hard Work

What steps have you reached today?

International Women's Day is a day where we recognise and celebrate all that women have achieved. The girls will learn about women who are inspirational and advocate of women's rights.

Class Certificates

5.1 Ana & Kelsey

5.2 Makayla & Nehal

Please follow us on Twitter and Instagram to support our school @WJGSS

Topic: Fairgrounds

Science: Next week is Science Week, the girls will partake in a range of activities and learn to be innovators – creating their own inventions.

Geography: The girls will debate and plan a balanced argument on whether the school should host a fairground.

R.E: We are focussing on the events leading up to Jesus' death.

Computer: The girls will be using the 2Diy3D programme to design a package for a gift.

DT: We will be designing a shaky hand tester for a fair ground.

Homework set this week:
