Week ending: Friday 12th March 2021

Welcome back to school

It was absolutely wonderful to see the girls looking so well and enthusiastic to get back to their school routine. Our playground was full of cheerful children and it was very refreshing to see them laughing and playing with their friends.
Please remind your daughters to bring their PE kits to school on Monday. The girls also need to bring their water bottles to school everyday.

International Women's day

It was a fantastic and productive start to the school week when WJGS celebrated International Women's Day on Monday, 8th March.

Year 6 had discussions recognising the achievements of women and girls. They also explored the sacrifices women have made to increase their visibility and representation around the world. This activity helped to raise awareness of bias. The girls wrote their own pledges to challenge discrimination against women.
