

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending: Friday 19th March, 2021

- Next week is assessment week. The girls will complete the following tests: Reading, Spag, Maths Arithmetic, Maths Reasoning, and Science. Remember to complete your census by Sunday 21st of March. Just a quick reminder that the school closes for the Easter break on **Wednesday 31 March 2021 @ 1.45pm** for year 5.

Reminders!

Maths:

We will be revising topics learnt to prepare for the upcoming tests 22nd—24th of March, 2021. Please support and encourage your daughter to revise at home.

Word of the Week:

Amiable

Write a sentence using the word for next week.

English:

Next week, we will be learning about the features of a newspaper report and writing one based on the dramatic events of Chapter 8. We will be deciding which events are the most significant and analysing the characters' emotions.

Please continue to encourage your daughter to keep reading for at least 15 minutes every day and to keep taking AR quizzes.

Reading Certificates:

5.1: Jiya, Saanvi, Eva, Zainab

5.2 Aisha, Aleesha, Niame

Science Week Enrichment Day

The girls had a fantastic day learning about the pH of different liquids. They used litmus papers to test for liquids that were acidic and alkaline. They also learnt that white light is made of different colours. Using their handmade colour wheel spectrums, they were able to see the colours transformed into white whilst spinning.

Value of the Month :

Hard Work

Class Certificates

5.1 Nuura & Prapha

5.2 Ramlo & Zainab

Topic: Fairground

Science: Next week we will be revisiting the topic forces. We will learn about the different types of forces including levers and pulleys.

R.E: We will recap the events leading up to Jesus' death. The girls will write paragraphs explaining whether it was Jesus' destiny to die and did he know he was to die.

Computer: The girls will be using the 2Diy3D programme to design a package for a gift. The girls will print and make their designs.

DT: We have made our shaky hand testers. Next week we will make add our circuits to our design.
