

Winterbourne Junior Girls' School

Year 6 Newsletter

Week ending: Friday 26th March 2021

British Summer Time 2021

On Sunday, March 28, we will move to British Summer Time (BST) – at 1 am, to be precise. The clocks will move forward an hour (remember the mantra: spring forward, fall back). Remember to set your clocks forward by **one hour**.

Assessment Week

The girls have worked hard this week in their assessments and we have worked through the Maths problems and Reading Comprehension questions. Your daughter will be aware of any revision she needs to do ahead of the final assessments in June.

We are enjoying using MyOn and as well as reading their library or home books, girls will be able to access this during the Easter Break to complete Reading homework, with Maths homework being set on My Maths.

Let's keep up the hard work so that all the girls can be proud of their results and ready to move on to Year 7 with a sound learning base and confidence in their abilities.

Writing in Summer 1

When we return after Easter we will be starting an exciting new writing project based on the adventures of Harry Potter—starting with a newspaper report. Many of the girls are keen readers of the books, and we know that their interest will spark some great creative writing and encourage them all to use their skills as well as developing new ones.

Reading during the the break will not only help the girls develop their comprehension skills, but also the skills they use in writing.

Attendance

6.2 won the cup this week for attendance—well done!

Value of the Month

March - Hard work

Philosophy Question of the Month:

Hard Work

Is it worse to fail at something or never attempt it in the first place?

Accelerated Readers:

6.1: Amanda, Jasmine, Alyisha.
